Alumni Professional Network

Volunteer to help DU students or alumni with their career search. There are two easy ways to get involved:

- **Join our Professional Network** at https://du-csm.symplicity.com/mentors and help current DU students and alumni learn about their career interests. Your contact information is posted on our password protected site that is accessible only to the DU community. Interactions happen via your preferred method: email, mail, or phone.

- **Mentor a DU student** through the Pioneer Connections mentoring program. This program matches DU juniors and seniors with alumni in their fields of expertise and provides a more in-depth opportunity to become acquainted with a student and make a difference in their career. Mentors can be local or in other cities. We are seeking mentors now to be matched during the fall quarter. For information, contact Cindy Hyman at chyman@du.edu.
