Alumni Career Services

Did you know that DU provides lifetime career services for alumni? All services are free for one year after graduation and online resources are free for life (the Suitts Center for Career Services at the Daniels College of Business and the Sturm College of Law Center for Career Development offer enhanced services for their alumni after year one). The Career Center serves all other alumni and has reduced the cost for on-site resources, including career counseling sessions and assessments. The first session is $25/hour. Subsequent sessions have been reduced to $65/hour (regularly $75), or get a four-session package for $165 (instead of $220). For more information on how to access alumni career services, contact Cindy Hyman.

BANKING

Alumni can apply for the University of Denver Platinum Plus MasterCard with WorldPoints® Rewards. For every purchase that you make, a contribution goes back to the Alumni Association at no additional cost to you!

HOTEL RATE SPECIALS

Don't forget DU alumni and friends get special rates at some of Denver's best hotels. Click here for a list of vendors that support the Pioneer spirit through sponsorship.

TRAVEL PROGRAM

In an effort to increase the value and broaden the reach of the University of Denver Alumni Travel Program, the Office of Alumni Relations has partnered with a variety of travel vendors focused on diverse travel experiences and activities for our alumni community. Click here for more information.
Professional Network

Join the Professional Network! This network helps DU students and alumni learn more about their career interests from alumni, parents and friends of the university.
